JUDGMENT

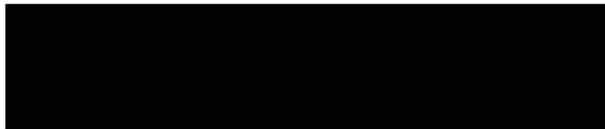

MILLAR J

- [1] This is an application for leave to appeal by the defendant against a judgment and order handed down by me on 29 August 2023.
- [2] I have considered the reasons given by me for the judgment as well as the grounds upon which the application for leave to appeal has been advanced. I have also considered the arguments advanced both in support and against the granting of leave.

[3] I am not persuaded that another court would come to a different conclusion or that there is any other compelling reason why leave to appeal ought to be granted.

[4] In the circumstances, I make the following order:

[4.1] The application for leave to appeal is dismissed with costs.
