JUDGMENT

WRIGHT J

1. The applicant company sells immovable property. The first respondent used to work for the applicant, selling property.
2. The applicant fired the first respondent and accuses him of fraud. There is a dispute as to who is entitled to the commission on the sale of property.
3. The applicant seeks urgently a declarator that the applicant is entitled to the commission and it seeks effectively an order that the commission be paid.
4. The applicant says, vaguely, that the matter is urgent because the prospects of collecting the commission, from the first respondent, if he gets the commission, are doubtful and would involve further litigation.
5. In my view, the application is not urgent.

ORDER

Struck off with costs.
