ORDER: COSTS

JUDGMENT BY: KRUGER, J

DELIVERED ON: 5 MAY 2016

- [1] In the judgment of 21 April 2016 the members of the Free State Gambling and Liquor Board were granted leave to place evidence under oath before the court why an order *de bonis propriis* should not be made against them. A detailed affidavit by second respondent, the Chairperson of the Board, has now been placed before me. In that affidavit the second respondent explains that the administration staff misconceived their statutory duties and did not convey their lack of understanding to the members of the Board. He explains that the Board did not intend to act in defiance of the court. He is at pains to explain that the conduct of the Board Members, Secretariat and Legal Department was not *mala fides*.
- [2] I accept the explanation by the second respondent given on behalf of the Board.

ORDER

In all three cases the first respondent is ordered to pay the costs of the applications on the scale as between attorney and client.
