JUDGMENT ON LEAVE TO APPEAL

MAKHUBELE AJ

[1] Judgment in this matter was delivered on 24 April 2015 and the application for leave to appeal was filed on 19 May 2015.

[2] I have carefully considered the grounds of appeal, the arguments advanced and the reasons for my judgment.

[3] What is expected of me at this stage is to consider, objectively, whether there are reasonable prospects of another court coming to a different conclusion than that I arrived at in my judgment. I am not required to justify my judgment or offer interpretation thereof. This is also not an opportunity for me to re-write or supplement my judgment.

[4] Having considered all the above, I am not convinced that there are reasonable prospects of another court (faced with the same facts and questions of law before me) coming to a different conclusion than that I arrived at in my judgment.

[5] Accordingly, I make the following order:

[5.1] The application for leave to appeal is dismissed with costs.
