Applications for leave to appeal

WRIGHT J

- [1] The applicant, Instrument seeks leave to appeal my order of 16 April 2024. I dismissed Instrument's applications to review its exclusion from an Eskom tender process. I did so on the ground of mootness, it being common cause that the relevant four year contracts, awarded to the successful tenderer, Actom come to an end on 14 May 2024.
- [2] In my view, the mootness problem for Instrument is now worse and it has no reasonable prospect on appeal and there is no compelling reason to grant leave.

ORDER

- [1] The applications are dismissed with party and party costs on scale A, including those of two counsel where so employed.
