JUDGMENT

Van der Schyff J

- [1] I handed down a written judgment in this matter on 19 August 2024. The applicants filed an application for leave to appeal, which was heard on 16 September 2024.
- [2] The applicants raised numerous grounds of appeal. They supplemented their grounds by filing a notice expressing that I was biased against them.
- [3] After considering the papers filed in the application, the judgment, and the grounds of appeal, I am of the opinion that the appeal does not have a reasonable prospect of success. The written judgment contains the reasons for the order handed down on 19 August 2024, and I need not elaborate on this.
- [4] The application for leave to appeal stands to be dismissed.

ORDER

In the result, the following order is granted:

1. The application for leave to appeal is dismissed with costs, costs of counsel on scale B.

E van der Schyff
