ERRATUM JUDGMENT

NEUKIRCHER J:

In the judgment and order handed down on 21 October 2024 paragraph 5 and 6 of the order states:

- “5. The first and second respondents are removed as trustees of the Trust and the fourth respondent is ordered to cancel the letters of authority dated 20 October 2014 authorising the first and second respondents to act.
6. The fourth respondent is directed to provide the applicants and the proposed independent trustee with letters of authority authorising them to act as trustees of the Trust.”

The reference to the fourth respondent is a patent error as it is only the Master of the High Court that can perform these functions.

I hereby correct this in terms of the provisions of Rule 42 of the Uniform Rules of Court.

Order:

Paragraph 5 and 6 of the order of the judgment handed down on 21 October 2024 is amended to read as follows:

- “5. *The first and second respondents are removed as trustees of the Trust and the seventh respondent is ordered to cancel the letters of authority dated 20 October 2014 authorising the first and second respondents to act.*

6. *The seventh respondent is directed to provide the applicants and the proposed independent trustee with letters of authority authorising them to act as trustees of the Trust."*
