JUDGMENT-APPLICATION FOR LEAVE TO APPEAL

LALLIE, J

- [1] The applicant filed an application for leave to appeal against the whole of the judgment handed down on 31 August 2018. The application is unopposed.

- [2] The test for leave to appeal is whether the applicant has reasonable prospects of success on appeal.¹
- [3] I have carefully considered the papers before me. They do not reflect that the applicant has reasonable prospects of success on appeal.
- [4] I accordingly, make the following order.
