LEAVE TO APPEAL

20 **WILSON, J:** The applicant, Ms Lebelo, seeks leave to appeal against my decision of 20 May 2025, removing her urgent application from the roll and directing each party to pay their own costs.

An order removing a matter from the urgent roll is not appealable unless the applicant can establish irreparable harm of the nature that an appeal could remedy.

In this case there is no such harm because the purpose of my order removing the application from the roll, as I explained in my judgment, was to allow Ms Lebelo to approach the urgent court again having stated the grounds on which she claims urgency.

Instead of doing that, for reasons that I do not fully understand, Ms Lebelo has sought leave to appeal my order. For the reasons I have given, the application for leave to appeal to cannot succeed. I make the following

10 order:

1. The application for leave to appeal is dismissed.
2. Each party will pay their own costs.
