JUDGMENT

Van der Schyff J

- [1] The applicants appeared in person, with the first applicant the spokesperson. The applicants informed the court that they want to intervene in a rescission application brought under the same case number that is enrolled for hearing on the unopposed motion roll on 29 September 2025.
- [2] The application was opposed by the first, second, third and fifth respondents. The eleventh and thirteenth respondents appeared in person. They informed the court that they were not served timeously with the application.
- [3] The joinder application is intrinsically linked to the rescission application. Due to the limited time frames within which the joinder application was brought and the fact that the rescission application is enrolled for 29 September 2025, I am of the view that both applications must be heard simultaneously. I am not inclined to make a final order and the application is to be referred to be heard in the unopposed motion court on 29 September 2025.

ORDER

In the result, the following order is granted:

1. The joinder application by the intervening parties is referred to be heard on the unopposed motion roll of 29 September 2025. The parties must appear before Van der Westhuizen J for directions.
2. Costs reserved.
