Tribunal for the confirmation of this Consent Agreement as an order of the Tribunal in terms of section 49D read with section 58(1)(b) of the Competition Act no. 89 of 1998, as amended, in respect of a contravention of section 4(1)(b)(ii) of the Act.

2. THE COMMISSION'S INVESTIGATION AND FINDINGS

2.1 On 05 July 2017, the Commissioner initiated a complaint in terms of section 49B of the Act against Automatic Sprinkler Inspection all sprinkler installers registered with ASIB ("Listed Installers"). This complaint was investigated under case number 2017Jul0013.

2.2 On 03 August 2017, the Commission conducted a search and seizure operation at the premises of ASIB and 22 of its Listed Installers, including the premises of Jasco Fire, and seized documents and electronic data from these premises.

2.3 On 16 August 2019, the Commission referred a case against certain Listed Installers to the Competition Tribunal for adjudication.

2.4 The allegations against ASIB and its Listed Installers are that they agreed to allocate to each other specific services in terms of which ASIB would provide inspection services while the Listed Installers would provide automatic sprinkler installation services.

2.5 It is further alleged that the Listed Installers agreed not to conduct business in territories (provinces/regions) where they are not listed and that they should only conduct business in territories (provinces/regions) where they are listed.

2.6 Following the Investigation, the Commission found that:

2.6.1 On becoming a Listed Installer of ASIB, each of the Listed Installers agreed to adhere to ASIB rules which entailed that inspection services would be performed by ASIB only whilst installation services would be provided by the Listed Installers only.

2.6.2 The ASIB rules enabled Listed Installers to divide the market by allocating territories in that Listed Installers agreed not to provide installation services in another area where they are not registered in competition with other Listed Installers who are registered in those areas. In other words, the area of registration or listing determined the area of operation.

2.6.3 This conduct between ASIB and Listed Installers amounts to market division by allocation of specific types of services and territories in contravention of section 4(1)(b)(ii) of the Act.

3. ADMISSION

3.1. Jasco Fire does not admit that it has acted in contravention of section 4(1)(b) of the Act as described in clause 2 above.

4. AGREEMENT REGARDING FUTURE CONDUCT

4.1. Jasco Fire undertakes not to agree or adhere to any ASIB rule which would preclude it from operating in any geographic region.

4.2. Should Jasco Fire determine that it wishes to enter the market for the provision of inspection services, Jasco Fire undertakes not to restrict its right to do so by agreeing with any actual or potential competitors in that market, or with ASIB, to restrict such activities.

- 4.3. Jasco Fire undertakes not to restrict its sourcing of inspection services from only ASIB, provided it is commercially viable to do so.
- 4.4. Jasco Fire will develop, implement and monitor a competition law compliance programme as part of its corporate governance policy, which is designed to ensure that all employees, members and management do not engage in contraventions of the Act. Such compliance programme will include mechanisms for the identification and prevention of any contraventions of the Act.
- 4.5. Jasco Fire hereby commits itself to competitive practices and refraining from engaging in any anti-competitive conduct in contravention of the Act.
- 4.6. Jasco Fire shall circulate a statement summarising the contents of this Consent Agreement to all management and operational staff employed by Jasco Fire within 60 (sixty) calendar days from the date of confirmation of this Consent Agreement by the Tribunal.

5. ADMINISTRATIVE PENALTY

- 5.1. In order to bring the matter to conclusion, Jasco Fire agrees to pay an administrative penalty in the amount of R300 000 (Three Hundred Thousand Rand). This amount does not exceed 10% of Jasco Fire's annual financial year ended June 2020.
- 5.2. Jasco Fire agrees to pay the administrative penalty as stipulated in the above paragraph over a period of 12 months starting 30 calendar days from the date of confirmation of this Consent Agreement by the Tribunal.
