WILSON, J: The applicant seeks the eviction of various occupiers of a property in Thembisa, Extension 11. On reading the papers I was not satisfied that a case had been made out that the eviction would be just and equitable. But

20 an analysis of the facts is not necessary, since neither the applicant in person nor his legal representatives have attended court to pursue the relief they seek on the papers.

Counsel for the 1st and 2nd respondents asked me in those circumstances simply to dismiss the application, with costs. I am inclined to accede to that request.

For those reasons I will make an order in terms of the draft handed up by counsel which I have signed, amended, dated and marked X.

A handwritten signature in blue ink, appearing to read 'Wilson', is written over a solid black rectangular redaction box.
